◆ What a typical evening looks like

- 5:30PM Guests start to arrive in their costumes and pick up their scripts. You can read through your lines and/or tour the house.
- 5:45PM We'll gather in the sitting room and read our introductions. We'll draw numbers to determine the murderer... but keep it a secret!
- 6:00PM We'll then proceed into the dining room and have dinner in 3 courses: salad, dinner, and dessert. Guests will use their scripts to ask questions and respond to each other.
- 7:30PM Next, we'll move into the living room to make accusations. Finally, the killer will be revealed.

◆ Looking for an overnight stay?

Overnight stays can be booked through Airbnb. Airbnb provides insurance that protects our property from damages or thefts. We have a 2 night minimum and you can schedule your Murder Mystery for the 1st or 2nd night. One hour before the murder mystery begins, we'll have you and your guests vacate the kitchen and dining room so our team can prepare.
